XFT Products for Human Resource Management

The Employee Cycle from A to Z

How To Perfect Your Documentation and Processes for Personnel Management

The HR department is supposed to manage less, promote more talent, and support the corporate strategy. But how can this work if personnel processes are still as time-consuming as ever? If you use SAP HR solutions, you already have the foundations for success. XFT helps you along the rest of the way.

With our SAP-integraded products, you incorporate all relevant parties for personnel processes – from employees to the works council and managers. In addition, you centralize all important tasks. This enables you to save time and free up resources for more strategic HR activities.

With XFT HCM Suite 4S4 you are able to:

- ⊘ Manage and accelerate all personnel processes throughout the company.
- ⊘ Create, manage and digitally sign personnel documents centralized.
- ⊘ Access all employee data securely in your SAP system.
- ⊘ Comply with all legal requirements easily, including the General Data Protection Regulation (GDPR).
- ⊘ Answer questions about employee data faster and more reliably.
